MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

Oriental College of Technology (OCT), Bhopal

&

Tesla Transformer – India Ltd., Bhopal

This Memorandum of Understanding (MoU) is executed on this 11 day of October, 2025, between: **Oriental College of Technology (OCT)**, located at Raisen Road, Bhopal, Madhya Pradesh, hereinafter referred to as "the Institute", and **Tesla Transformer – India Ltd.**, located at Bhopal, Madhya Pradesh, hereinafter referred to as "the Industry Partner".

Both parties agree to collaborate in the areas of mutual interest to promote technical education, skill development, and industry-academia interaction.

1. Purpose

The purpose of this MoU is to establish a collaborative framework between OCT and Tesla Transformer – India Ltd. for enhancing the practical learning experience of students and strengthening industry-academia relationships through training, research, and knowledge exchange.

2. Areas of Collaboration

Both parties agree to collaborate in the following areas:

- Industrial Visits: To organize regular visits for students and faculty to Tesla Transformer facilities for practical exposure.
- Internship Opportunities: To facilitate internship programs for students of Electrical and Electronics Engineering and related branches.
- Seminars, Webinars & Expert Lectures: To conduct joint technical sessions, expert talks, and workshops by industry professionals from Tesla Transformer.
- Industry-Oriented Training Programs: To design and deliver short-term courses, skill enhancement programs, and live projects for students.
- Research and Development (Optional): To encourage joint R&D projects, technical consultancy, and product development activities where feasible.

3. Duration

This MoU shall remain valid for a period of 36 months (3 years) from the date of signing. It may be renewed or extended upon mutual agreement between both parties.

4. Responsibilities of the Parties

OCT shall:

- Nominate a faculty coordinator to liaise with the industry partner.
- Facilitate student participation in the agreed programs.
- Provide necessary academic support and infrastructure when required.
