MEMORANDUM OF UNDERSTANDING (MoU)

Between

Oriental College of Technology, Bhopal

And

Robology Indian Robotics Academy

Purpose

This Memorandum of Understanding (MoU) is executed with the objective of establishing a collaborative partnership between **Oriental College of Technology (OCT), Bhopal** and **Robology Indian Robotics Academy** to promote skill development, industry-oriented learning, innovation, research, and technical excellence in the fields of Robotics, Artificial Intelligence (AI), Internet of Things (IoT), Embedded Systems, Automation, and other emerging technologies.

Objectives

Both parties agree to collaborate in the following areas:

- Conduct technical workshops, seminars, expert lectures, and certification programs.
- Provide hands-on training in Robotics, AI, IoT, Embedded Systems, Automation, Drone Technology, and related domains.
- Facilitate internships, industrial exposure, and project mentoring for students.
- Encourage innovation, research, product development, and startup culture.
- Organize hackathons, coding competitions, robotics competitions, and technical events.
- Support faculty development programs (FDPs) and knowledge-sharing initiatives.
- Establish and strengthen Robotics & Innovation Labs within the institute, wherever feasible.

Responsibilities of OCT

OCT shall:

- Provide necessary infrastructure such as classrooms, laboratories, seminar halls, and internet facilities for conducting training programs.
- Encourage student and faculty participation in collaborative activities.
- Nominate faculty coordinators for smooth execution of the programs.
- Provide administrative support for organizing events and workshops.

26/6/2026.

Responsibilities of Robology Indian Robotics Academy

Robology shall:

- Provide qualified trainers, mentors, and technical experts.
- Deliver industry-oriented training programs and certification courses.
- Support students in internships, live projects, and practical learning.
- Assist in setting up Robotics/AI/IoT lab facilities wherever applicable.
- Conduct technical competitions, innovation activities, and career guidance sessions.
- Update training content as per current industry requirements.

Mutual Responsibilities

Both organizations shall jointly:

- Plan and execute technical activities for the benefit of students and faculty.
- Promote innovation, entrepreneurship, and industry-academia collaboration.
- Share knowledge, expertise, and resources whenever mutually agreed.
- Maintain confidentiality of any proprietary or sensitive information shared during collaboration.
- Review the progress of collaborative activities periodically.

Financial Terms

- Each activity under this MoU shall be conducted based on mutual discussion and written consent.
- The financial model, if applicable, including training fees, sponsorships, or revenue sharing, shall be decided separately for each activity.

Duration

This MoU shall remain valid for **Three (3) Years** from the date of signing and may be renewed with mutual written consent.

Termination

Either party may terminate this MoU by providing **30 days' written notice** to the other party. However, any ongoing programs or activities shall be completed as mutually agreed.

26/6/2026

General Terms

- This MoU is intended to promote academic and technical collaboration and does not create any legal partnership or financial obligation unless agreed separately in writing.
- Any amendments to this MoU shall be made only through mutual written consent of both parties.
