## **1.4.1 Any other relevant information- Feedback Policy**

### FEEDBACK POLICY

The teaching-learning process is given due importance for the continuous improvement in the academics of students. Our college follows the feedback system that gets suggestions and recommendations from different stakeholders such as students, teachers, alumni, and Professionals of each programme for every academic year for continuous improvement in the teaching-learning process. The mechanism followed is detailed below for collecting feedback from students, teachers, alumni, and professionals on curriculum aspects and courses. Feedback collected is analyzed, the suggestion is considered, necessary actions are executed and action is taken report is submitted.

### FEEDBACK COLLECTION PROCESS:

- Feedback forms with complete curriculum-based questionnaires are designed.
- Questionnaires are shared with stakeholders for the collection of feedback.
- In feedback questionnaires generally ten questions are asked and they are required to give the remark like Excellent, Very Good, Good, Fair, and Poor. For each question, the target has been set.
