## 2.5.3 INFORMATION ON EXAMINATION REFORMS:

**The Mansarovar Dental College, Hospital & Research Centre, Bhopal has reforms for the examination conduction at internal and university level which objective structured clinical examination /objective structured practical examination.**

### Internal Examination Reforms:

The examination hall is under continuous CCTV surveillance.

- The halls are installed with the latest cameras and high speed internet connections.
- Three internal assessment exams are conducted simulating the university exam pattern which include first internal 2.5 marks, second internal 2.5 marks and third internal /Pre-university 5 marks..
- All the students are well informed about examination related guidelines of the university and institution. The necessary regulations of the affiliating university are provided to students. The disciplines, eligibility, requirements of attendance are informed to the concerned. Any grievance regarding examination or internals such as, erratic evaluation, totaling mistake, out of the syllabus questions be addressed to the respective committee.

The internal answer scripts are promptly returned to students and answers are discussed. Grievances are attended in the class rooms. The marks of the internal exams are displayed on the notice board. Typographical errors if any will be reported to the examination sections for necessary correction. The entire process is monitored by Institutional Academic & Examination Committee and marks are forwarded to the university. The grievances with respect to end marks are forwarded to the university. The grievances with respect to end examination are reported to the principal either through the class teachers or by students directly. The internal assessment is made by the faculty in two parts as Theoretical examination and Clinical / Practical examination.

- Institutional Student Grievance & Redressal Committee will look after college level grievances related to academic and non – academic matters.
- Institutional Student Grievance & Redressal Committee helps the students to approach for general and personal grievances. After internal assessment, answer books are shown to all students. The internal marks of the students are then displayed on the notice board to ensure transparency in evaluation.
- The Head of the department primarily redress all grievances about evaluation, including the internal assessment marks awarded to the students. In case of dissatisfaction, the same is put before the Principal. The committee appointed by the principal looks after such grievances and redress the same.
- For the purpose of investigating unfair means resorted to by students at the College level, the Institutional Student Grievance & Redressal Committee shall be appointed by the principal. The committee shall have one/two senior faculty members including Examination controller.

## **University Examination Reforms:**

- The parent university takes care of all examination reforms.
- Exams are being conducted and recorded with cameras and videos records are submitted. to the university on the same day of examinations along with answer papers.
- Only a particular clinical procedure or experiment is usually given for the examination as per DCI syllabus. The clinical and practical examination provides a number of chances for the candidate to express the skills.
- A number of examination stations with specific instructions is provided. This includes clinical procedures, laboratory experiments, spotters etc.

- Evaluation is made objective and structured. The method of objective structured clinical examinations is followed. This will avoid examiner bias because both the examiner and the examinee are given specific instructions on what is to be observed at each station. This assessment provides a platform to assess a graduate for the competencies required for general dental practice.
- Students apply for verification of marks. The University provides the photocopy of answer books to students on demand after paying prescribed. Fee after receiving own answer-sheet student can verify the answer book. In addition, follow up is kept with the University until the grievance is settled.
- An aggrieved student who has the grievances(s) at university level shall make an application to the university through the principal of the college. The principal, after verifying the facts, shall forward it to the concerned section of the university. The university redress all such grievances within a reasonable time, preferably within fifteen days of the receipt of application.
- If the student is not satisfied with this decision, he/she can submit appeal to the higher authorities (Registrar / VC) within a stipulated time.
- University level committee shall process grievance(s) submitted by the students within a stipulated period.
