EXECUTIVE SUMMARY

Densoft Infotech Private Ltd. would like to thank Mansarovar Dental College of Dentistry for providing the opportunity to submit this proposal. This section highlights the key aspects of the proposed solution.

Densoft acknowledges Mansarovar Dental College desire to work on a robust offline platform for its Dental College and Hospital, which can be distributed to end users / Employees and read on PC's.

Densoft believes that their offline based solution 'DenSmart Solution' fits very well for its Dental College & Hospital work flow and its Enterprise version addresses all of the above points.

1. Registration
2. President Dashboard
3. Departments
4. Appointments
5. Department Entries
6. Patient Accounts
7. Customized Setup
8. Masters Deliverable
9. Imaging (Radio-graph, Photograph etc.)
10. Reports

SCOPE OF WORK

Densoft understands that Mansarovar Dental College School of Dentistry has the requirement for a robust online Dental Record Management Solution at its various branches and the information to be consumed on mobile apps for Android phones and PC's.

Densoft Proposed Solution

DenSmart Solution is a Offline / Online Dental Record Management and an end to end solution, which would enable Mansarovar Dental College to easily and quickly maintain and automate records of its Dental Patients.

The below section describes how Mansarovar Dental College would be able to capture, distribute and deliver its output using DenSmart Solution.

Scope

- This System is well designed for the enhancement and development of a Computerized Dental System for Mansarovar Dental College. It includes the features of the Reception like Registration, Scheduling, Rescheduling and Cancellation of an Appointment, Tracks the Missed and recall Appointments, Searching Appointments of a Patients, Contact Details of Patients, Dentist, Staff etc.
- The Chair side system is well designed in such a way that all the requirements of the chair side like Appointments for the Day Department Wise, Treatment Card of the Patient, Findings of the Patients, Treatment Advice, Estimate of the Treatment to be done, Xrays & Photographs etc.
- The Accounts – Creating the Bills, Receipts, Refunds & Small expenses from the cash flow.
- Inventory – Stock Details, Purchase (Tender & Local), Consumption, Demand & Supply etc.
- Administrator – Reports and Analization

DENSOFT DELIVERABLES

Densoft would provide a license DenSmart * to Mansarovar Dental College online / Offline

The DenSmart solution is divided in 3 modules in all the Departments.

- a. Reception
- b. Department Log in

RECEPTION

Registration

Patient Data – (Patient Info)

Scheduling (Appointments)

Walk-in Appointments

Next Appointment

Reschedule Appointments

ASSUMPTIONS

Project Assumptions

The following are the list of assumptions and constraints considered during the documentation of proposal.

1. Densoft, If there are changes to the input files, etc., Densoft assumes that they will be intimated well before time, which will allow them to estimate effort to modify the existing system for this particular project.
2. Densoft assumes that the points mentioned in the Scope of Work section are the points that need to be executed for the project as agreed upon by the Client and Densoft team. In case of any additional scope, the Client (Mansarovar Dental College)
3. Approvals, acceptances, reviews, and clarifications are required during various stages of the project. Delays in obtaining these may result in a review of the delivery schedules.
4. A single point of contact will be assigned from the Client side for communication / resolving issues during the course of the project.
5. All Client reviews and acceptance would be provided as per schedule. On any delay, the schedule would be discussed with the Client and updated.
6. The commencement of the project is based on the approval of the proposal.

COMMERCIALS

Densoft Infotech Pvt. Ltd. proposes the following commercial models for the proposal.

1	DenSmart Solution	
	License cost for OFFLINE /ONLINE Solution	Rs. 170,000.00
