# 'MITTAL MUSINGS'

## INTERNATIONAL INTERDISCIPLINARY CONFERENCE ON "EFFECT OF NATIONAL BUDGET & MONETARY POLICY ON MULTI DISCIPLINARY SCENARIOS"

### ABOUT US

#### MITTAL GROUP OF INSTITUTES

Mittal Group of Institutes is committed to carry forward the legacy of our Founder Chairman Late Prof. N.K. Mittal Ex Principal of MANIT (then MACT). We believe that we cannot always build the future for all our students, but we can build our students for the future. The purpose of education is to teach young minds to think and develop a capacity to reason out facts. Students should keep in mind the importance of planning and prioritizing their time and the effective use of it which is essential to achieve success. Students and faculty must come together to accept the fast changing environment.

#### MITTAL INSTITUTE OF EDUCATION

Mittal Institute of Education is the flagship institution under the group and is the epitome of Late Prof. N.K. Mittal's vision, *where he dreamed of sharing education beyond the classroom confines, developing students to face the competition of real world with confidence, skill and knowledge.*

In this perspective 'MITTAL MUSINGS' - INTERNATIONAL INTERDISCIPLINARY CONFERENCE ON "EFFECT OF NATIONAL BUDGET & MONETARY POLICY ON MULTI DISCIPLINARY SCENARIOS", is being organized by Mittal Institute of Education, so that we may meet and reflect on academic and industrial thought.

### INTRODUCTION

The Global Economic landscape is shaped by complex interactions between Fiscal and Monetary Policies. Governments use national budgets and monetary policies to regulate economic activities, affecting diverse sectors such as business, finance, education, healthcare, infrastructure, and social development. In this context, the International Interdisciplinary Conference on the Effect of National Budget and Monetary Policy on the Multi- Disciplinary Scenario aim to put forward to bring together scholars, policymakers, economists, business leaders, and researchers to explore the impact on various industries.

### CONFERENCE OBJECTIVE

#### This conference seeks to:

- Analyze the influence of National Budgets on various Industries and Public Services.
- Examine the role of Monetary policy in Economic stability and growth.

- Underscore the effect of Fiscal and Monetary decisions having an impact on Global Trade, Investment and Inflation.
- Provide a platform for Interdisciplinary dialogue, integrating insights from different disciplines.
- Offer policy recommendations for Sustainable Economic Development.
- Monetary decisions impact global trade, investment, and inflation.
- Provide a platform for Interdisciplinary dialogue, integrating insights from different disciplines.
- Offer policy recommendations for Sustainable Economic Development.
