WORDS FROM THE CHAIRMAN

At Mittal Group of Institutes, our mission is to bridge the gap between academic knowledge and industry demands by nurturing a generation of skilled, innovative, and technically proficient professionals. Continuing the rich legacy of our visionary Founder Chairman, Prof. N. K. Mittal, we remain steadfast in our commitment to advancing education with the highest standards of excellence.

I firmly believe that education is the cornerstone of growth and innovation. To this end, we constantly incorporate the most advanced and progressive teaching methodologies to empower our students with practical skills and a future-ready mindset. We strive to create an ecosystem where young minds can explore their potential, embrace challenges, and transform them into opportunities.

Our focus is to enable them to become leaders who will shape industries, drive innovation, and contribute meaningfully to society.

Together, let us build a brighter future for our students, our industries, and our nation.

Mr. Surendra Mittal
Chairman, Mittal Group of Institutes

WORDS FROM THE VICE CHAIRMAN

In a world full of opportunities and ever increasing competition, all young individuals should learn to assess themselves correctly, so as where in the market/ industry they stand today. They should focus on upskilling themselves, expose more to the industry practices and be more adaptable. Surely they can be a right fit to utilise their maximum potential and provide value in this market which is craving for such individuals.

Mittal Group of Institutes, with the vision of founder Chairman Prof. N. K. Mittal grooms students to become industry ready, which fills the gap between the Education being provided and the skillset, mindset, value, industry is looking for in any individual.

Technical and soft skill trainings aligned with the latest industry requirements and Expert faculties delivering university curriculum with a unique pedagogy of catering different learning needs of different students makes this possible.

Students must focus on following their learned faculty consistently and patiently, success is waiting for you with open arms!

Er. Prakhar Mittal
Vice Chairman, Mittal Group of Institutes

WORDS FROM THE PRO VICE CHAIRMAN

As a proud third-generation member of the promoters in this institute, I am deeply inspired by the values and vision established by my family. Our mission is to nurture a dynamic learning environment where students are empowered to reach their fullest potential.

We are committed to fostering innovation, academic excellence, and character development, ensuring our students are equipped to excel in a rapidly evolving world.

Together, we will continue this legacy of growth and transform lives through quality education.

ENVIRONMENT DAY

WORLD ENVIRONMENT DAY CELEBRATION BY NCC NAVAL WING

The NCC Naval Wing of Mittal Group of Institutes celebrated World Environment Day on 3rd June 2025 with great enthusiasm. Though observed globally on 5th June, the celebration was held in advance to encourage early awareness and action.

As part of the event, cadets created impactful posters highlighting the importance of environmental conservation. These creative expressions served as powerful reminders of our duty to protect nature and promote sustainable living.

Small steps today will lead to a greener tomorrow

MITTAL INSTITUTE OF EDUCATION CELEBRATED WORLD ENVIRONMENT DAY WITH GREAT ENTHUSIASM AND DEDICATION

The BCA department organized a plantation drive with their alumni, promoting environmental awareness and sustainability. Students and alumni planted trees, discussing the importance of conservation.

Honorable Director Dr. Simrina Singh, Principal MIT Dr. Arpan Dwivedi, and Principal MIE Dr. Ankit Jain were also present, adding to the event's significance. The institute's efforts to foster eco-friendly practices are truly commendable.

World Environment Day

MIP

Mittal Institute of Pharmacy celebrated World Environment Day-2025.

It is celebrated every year worldwide on 5th of June and the theme for this year is "Beat Plastic Pollution."

The students prepared posters and power point presentations on 6/06/25 to spread encouragement, awareness and action to be taken for the protection of the environment. Later students along with faculty members planted herbal plants in herbal garden of MIP. The program was co-ordinated by Miss Samreen Ali and Miss Priti Singh along with student volunteers and other staff members.

Everything present in nature contributes to beauty of the World so let us protect the Earth.

Reduce, reuse and recycle plastics, and make our Earth greener and healthier.

Igniting Minds, Celebrating Talent! 🔥

June 07, 2025

The Department of Management Studies, MIT 🎓 successfully organized a vibrant and enriching event, blending knowledge and celebration! ⭐

The day began with an insightful and interactive workshop:

🌐 "First-Hand Experience with Research Statistical Tool: SPSS", led by the esteemed academician Dr. Neerja Nigam (Associate Professor, School of Business Management, Christ University, Delhi).

Participants explored the depths of data and statistical tools, gaining hands-on exposure to real-world research techniques — truly a transformative learning experience! 📊📈🧠

🎉 The occasion was further lit up with the Felicitation Ceremony 🏆 of the winners of the 🌐 Mittal Mind Masters Online Quiz Competition 🧠💡

Top scorers from Class 12 were honored with exciting prizes including 📺 JBL Speakers 🗣️ and BOAT Smart Watches ⌚!

🏆 First Winner: Nidhi Narwariya
📍 Class 12, The Krishna Valley School

🏆 Second Winner: Sanju Ahirwar
📍 Class 12, PM Shree Sarojini Naidu School

🏆 Third Winner: Soniya Rajput
📍 Class 12, Graphite Higher Secondary School

🌈 The event was a perfect blend of academic rigor 📚 and youthful celebration 🎉, leaving every participant feeling inspired, appreciated, and motivated.

🌟 Kudos to all the winners, participants, and the organizing team for making the event a grand success!

MIT STUDENTS SUCCESSFULLY DESIGN AND INSTALL WEATHER MONITORING STATION

June 17, 2025

The students of Electrical Engineering and Electronics & Communication Engineering departments at Mittal Institute of Technology (MIT) have successfully completed and installed an innovative Weather Monitoring Station on campus.

This project stands as a shining example of applied engineering and interdisciplinary collaboration, turning classroom knowledge into a practical, real-world application.

The Weather monitoring system is capable of measuring and recording key atmospheric parameters such as temperature, humidity, atmospheric pressure, and rainfall. It is also equipped with sensors and IoT-based technology for real-time data collection and transmission, which can be accessed remotely. The system not only supports academic learning but also contributes to environmental awareness and research on campus.

This initiative fosters experiential learning and encourages innovation among budding engineers, aligning with MIT's commitment to nurturing future-ready technocrats. The project was guided by faculty mentors from both departments and reflects the institute's focus on hands-on learning and sustainable technology.

Congratulations to all the students and faculty members involved in bringing this project to life!

YOGA DAY

J U N E 2 1 , 2 0 2 5

Mittal Institute of Pharmacy celebrated International Yoga Day. The theme for this year is "Yoga for One Earth, One Health" emphasizing the link between personal wellness and planetary health.

The program was conveyed by Dr Ashish Manigauha and Prof Brajesh Pathak & coordinated by Mr Manoj Sahu and Mr Anil Rathore.

A special thanks to Prof Zafar Khan for explaining historical and scientific aspect behind Yoga. Later students and staff members performed different Yogasanas under Mr Zafar Khan's guidance.

Yoga is an invaluable gift of ancient Indian tradition and now it has emerged as one of the most trusted means to boost physical and mental well-being. So let's unite our mind and body, thought and action, restraint and fulfilment, harmony between human and earth for a holistic approach to health and well being.

सादा जीवन उच्च विचार,
योग करें हम बारम्बार.

एक बरस में मौसम चार,
हर मौसम का यही आधार.

सुबह उठकर सूर्य नमस्कार,
अपना लो सब अबकी बार.

नित्य काम में सैर - सपाटा,
चेहरे पर लायेगा निखार.

हल्की कसरत, गुणगुना पानी,
पानी जीवन को देगा संवार.

स्वच्छ हवा में प्राणायाम,
प्रतिदिन करना करें स्वीकार.

जो अपनाएं योग का साथ,
कभी न होंगे वह बीमार.

योग है शक्ति, योग ही भक्ति,
निरोगी काया का चमत्कार.

ज्यादा पानी, भोजन चबाकर,
योग के है जरूरी औजार.

जल्दी उठना, जल्दी सोना,
दिन चर्या में हो अनिवार.

शुद्ध विचार, शुद्ध आहार,
जीवन को देते है तार.

सबका मान, थोड़ा दान,
सबके सपने करे साकार.

बच्चे, बुजुर्ग हों या जवान,
योग से सबको होता प्यार.

सुबह-शाम का नियम बनाकर,
जीवन में ले आए बहार.

योग करेंगे-रोज करेंगे,
