WORDS FROM THE CHAIRMAN

At Mittal Group of Institutes, our mission is to bridge the gap between academic knowledge and industry demands by nurturing a generation of skilled, innovative, and technically proficient professionals. Continuing the rich legacy of our visionary Founder Chairman, Prof. N. K. Mittal, we remain steadfast in our commitment to advancing education with the highest standards of excellence.

I firmly believe that education is the cornerstone of growth and innovation. To this end, we constantly incorporate the most advanced and progressive teaching methodologies to empower our students with practical skills and a future-ready mindset. We strive to create an ecosystem where young minds can explore their potential, embrace challenges, and transform them into opportunities.

Our focus is to enable them to become leaders who will shape industries, drive innovation, and contribute meaningfully to society.

Together, let us build a brighter future for our students, our industries, and our nation.

"Explore the world of science through brilliant ideas."

Mittal Institute of Pharmacy celebrated National Science Day, 2025 sponsored and catalysed by NCSTC, DST, New Delhi and MPCST, Bhopal.

It is celebrated in India to mark the discovery of the Raman effect by physicist C.V. Raman on February 28 in 1928. This day is observed to promote the significance of science in everyday life and highlight the various activities, endeavours and accomplishments in the scientific field for the betterment of humanity.

This year the theme for National Science Day was "Empowering Indian Youth for Global Leadership in Science & Innovation for Viksit Bharat."

The programme was co-ordinated by Dr Nidhi Singhai and Ms Priti Singh with the support of all the faculty members.

A series of activities were organised over two days celebration, highlighting the impact of Science.

Day 1: Movie screening on life and legacy of Sir CV Raman, followed by guest lecture by Dr Farhad Mehta, Associate Professor, RGPV. Quiz competition and Scientific Rangoli making Competition were then held, judged by Colonel F. B. Allavali, Dr Simrina Mam, Dr Arpan Diwedi, Dr Piteshwar Rane and Dr Ankit Jain.

Day 2: Guest lecture by Dr Ram Kumar Sahu, Associate Professor, DOPS, Hemavati Nandan, Bahuguna, Garhwal University followed by Scientific Poster making competition. The competition was judged by Dr L. K. Omray, Principal, Corporate Institute of Pharmacy.

All the participants received certificate of participation. The winners and runner up were awarded with trophy, certificate and cash prize. The celebration ended today but it imparted a new vision and mission towards Science for a better tomorrow.

MIT - BRIDGING THEORY WITH PRACTICE!

March 01, 2025

The Department of Civil Engineering took a significant step toward practical, problem-based learning by conducting a hands-on session on the Standard Penetration Test (SPT) for B.Tech Civil Engineering students.

This widely used geotechnical investigation method helps determine the Relative Density and Safe Bearing Capacity of Soil, essential for strong and stable structures.

Kudos to the Civil Engineering Department for fostering real-world learning!

HAPPY WOMEN'S DAY

By Tejasvi Vathvi
B.Com Final Year
MIE

Being a woman is a privilege because it comes with unique strengths, abilities, and experiences. Women have the power to create life, nurture relationships, and bring warmth and love into the world.

Their emotional strength allows them to handle challenges with grace and resilience.

Women contribute to society in countless ways, whether as leaders, caregivers, professionals, or artists. They have the ability to inspire change, break barriers, and shape the future.

Despite challenges, a woman's inner strength, compassion, and wisdom make her extraordinary. Embracing womanhood means recognizing these privileges and celebrating the beauty of being a woman.

Gone are the days of my childhood Where I enjoyed my life
as much as I could;
People loved me the way as they should
As if I were those times of Robinhood.

School days were full of joy and fun,
My friends chased me and I used to run, Wishing those
days to come again in my life, those were the best days of
my life.

Success, failure, joys and sorrows
Its the step for a better tomorrow,
Live your life as best as you can,
Make a new record or repeat the history again.

College days are much of laughter and fun Mixture of
fights, quarrels, love and emotion,
Those days will never come back in life, Those were the
best days of my life.

Enjoy every moment in life happily
Tackle the problem if any, immediately,
Its the formula to live life conveniently, Today's moment
will become tomorrow's memory.

Missing all those memorable moments
I spent in my life, those include some special memories of
my life, Wishing those days to come again in my life, Those
were the best days of my life.

Main aansoon chhupa leta hoon
jo thoda muskura leta hoon
toh sabko lagta hai main thik hoon
Tum hoti toh ek jhatke mein samajh leti
Apna haath mere sar pe pher ke kehti
sab theek ho jayega pareshan mat ho tu.

Jab se tum gyi hona maa
toh yeh duniya kabhi kabhi samajh nhi aati hai.
Bohot mann krta hai tumhare pass aane ka
Maa tumhari bohot yaad aati hai.

Zara sa sar mein dard hone pe
phele daant ti or phir mera sar dawaya krti thi tum.
Mera din kesa gya usey itminaan se
kitni dhyaan se sunti thi tum.

Jis din kehta aaj khana thoda kam khaunga
tum roti ka size badha ke meri thaali mein paros deti thi
Khud ghee na kha kr mujhe ghee khilaya krti thi tum
Bachpan mein meri galti pe mujhe daant ke
Mujhe rota dekh khud bhi ro deti thi.

Tumne mannatien hazar rakhi hain sirf meri hifazat ke liye.
Tumne khud ki bechaini mein chain dhundha hai, Meri raahat ke liye

Khud ke bimaar hone pr bhi duaain Mere liye manga krti thi Or
phucha krti thi tu thik hai khana khaya tune

Bohot akela sa lagta hai maa tumhare bena kabhi mann krta hai
tumhari godd mein sar rakh saku.
tumhare chehra saamne aata hai toh ek himmat si aati hai.
Meri khwaahish hai ki tumhari har Khwaahish puri kar saku

Tumhari daant mein bhi Mere liye pyar jhalakta tha,
Main ghar pohochu toh mera dil sabse pehle tumhe hi dhundhta hai.
Main kitna bhi chhupane ki koshish karu
Meri aawaz se hi tum mera har jhuth pakad leti thi .

Tumhari kami bohot Khalti hai maa
Kaash tum bhi hoti yahan.
Pehle tumhare daantne pr gussa aaya krta tha,
Aaj ussi daant ke liye taras jata hu maa,
Teri bohot yaad aati hai maa.. Teri bohot yaad aati hai maa....
