

MITTAL TIMES

ॐ असतो मा सद्गमय । तमसो मा ज्योतिर्गमय । मृत्योर्मा अमृतं गमय ।

This OCTOBER,

let the glow of knowledge outshine the sparkle of crackers.

"HAPPY DIWALI"

"As the auspicious festival of Deepawali illuminates our homes and hearts, let us remember that the true essence of this festival lies in dispelling the darkness of ignorance with the eternal light of knowledge and wisdom."

At Mittal Group of Institutes, our mission is to bridge the gap between academic knowledge and industry demands by nurturing a generation of skilled, innovative, and technically proficient professionals.

Continuing the rich legacy of our visionary Founder Chairman, Prof. N. K. Mittal, we remain steadfast in our commitment to advancing education with the highest standards of excellence.

I firmly believe that education is the cornerstone of growth and innovation. To this end, we constantly incorporate the most advanced and progressive teaching methodologies to empower our students with practical skills and a future-ready mindset.

We strive to create an ecosystem where young minds can explore their potential, embrace challenges, and transform them into opportunities. Our focus is to enable them to become leaders who will shape industries, drive innovation, and contribute meaningfully to society.

"Together, let us build a brighter future for our students, our industries, and our nation. May this festival of lights bring prosperity, good health, and boundless success to you and your families. Shubh Deepawali!"

Mr. Surendra Mittal
Chairman, Mittal Group of Institutes

MGI has experienced a significant boost in its growth and advancement, thanks to Er. Prakhar Mittal has followed in his grandfather's footsteps with the same spirit and zeal. An engineering graduate from Narsee Monjee Institute in Mumbai, Er. Prakhar Mittal has the new-age skill-set required to take MGI to the next level of excellence and evolution. He is an inspiration to young entrepreneurs, perfectly taking on the role of a 21st-century

action-packed leader on the floor. Introducing amendments in the academics through updated lesson plans, bringing in new-age technology to classrooms, collaborating with organizations of repute to bring flavor for students and introducing global standards of quality assurance and systems has been a few of his recent contributions to Mittal Group of Institutes.

Under the strong leadership of the Mittal family, along with a meticulously selected team of leaders from the education industry serving as Directors, Principals, HODs, and faculty members, MGI has a promising future in the world of education.

Mr. Prakhar Mittal
Vice Chairman, Mittal Group of Institutes

Parth Mittal is Postgraduate and has done MBA in Family Business from SP Jain College, Mumbai. He worked in Italy for some time after his graduation and then joined his family business in 2021. He also runs an industry where Industrial Fasteners are manufactured.

From being a national level skater to the Pro Vice Chairman of Mittal Group of Institutes, he has donned various hats in the landscape of life so far and has had a sharp learning curve. Parth is deeply entrenched in the culture and ethos of the education system and is well conversant with the dynamics of education. An avid automobile enthusiast, his tastes are eclectic, and he enjoys exploring different opportunities.

Mr. Parth Mittal
Pro Vice Chairman, Mittal Group of Institutes

INSTITUTIONAL PRIDE & SOCIAL RESPONSIBILITY

Mittal Group of Institutes Honored by BMHRC for Blood Donation Contribution

In a proud moment for the entire MGI family, the **Bhopal Memorial Hospital and Research Centre (BMHRC)** celebrated "Swasth Nari Sashakt Parivar" on October 1st, 2025. During the ceremony, Mittal Institute of Technology was presented with a Memento and Certificate of Appreciation in recognition of our consistent and selfless contribution to blood donation drives.

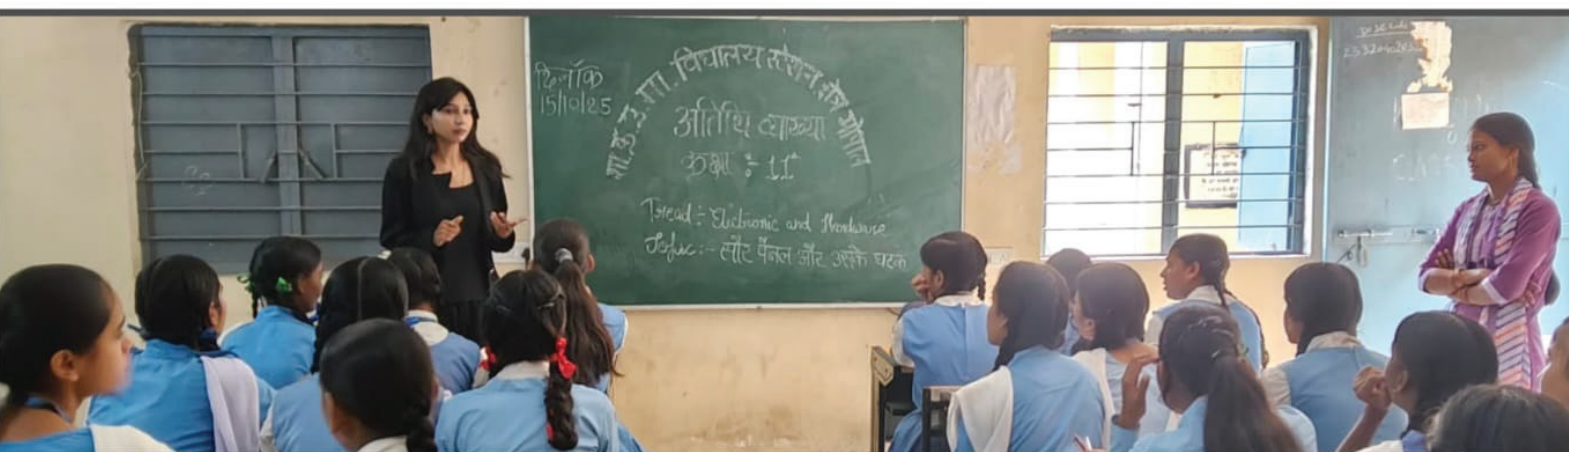

TECHNOLOGY & SUSTAINABILITY

Expert Session: LED and Solar Technology

Asst. Prof. Farha Khan (Electronics and Communication, MIT) reached out to the community on October 15th. She conducted an interactive session at the **Govt. Girls Higher Secondary School (Railway Station)**, sparking curiosity in Class 9th and 11th students.

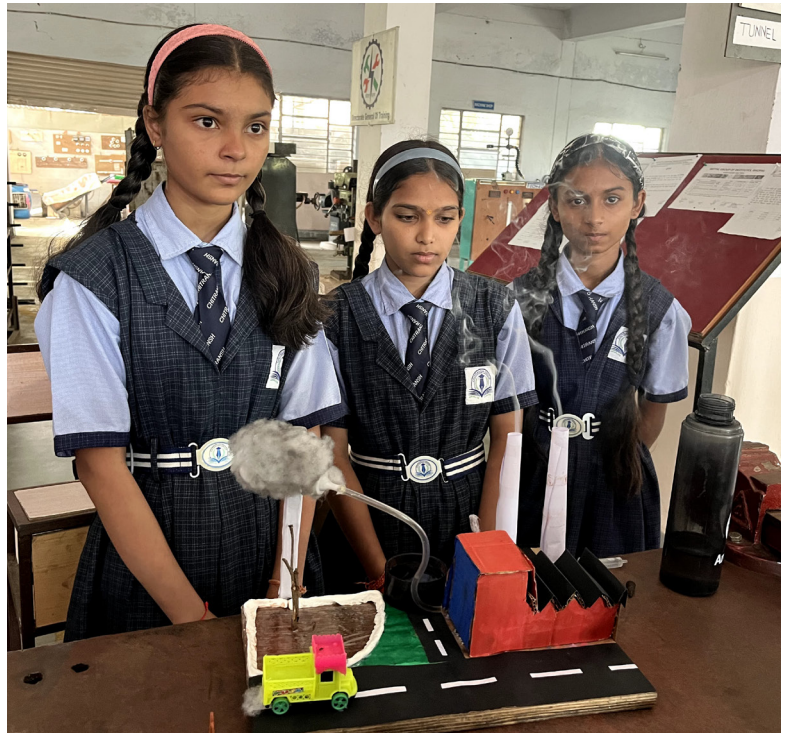

The Focus: Demystifying LED circuits and the future of sustainable energy through solar panels.

Engineering Innovation & Academic Outreach

N. K. Mittal Inter-School Science Exhibition & Poster Making Competition

A massive success for MGI! This year, the campus buzzed with the energy of over 206 participating teams from schools across the region. Students showcased their scientific temperament through innovative models and detailed poster presentations.

To foster a spirit of inquiry and creativity among young school students.

The event provided a platform for budding scientists to interact with MGI experts, bridging the gap between school-level science and higher engineering education.

Participants used various mediums—watercolors, acrylics, and charcoal—to depict themes like Artificial Intelligence, Space Exploration, and Climate Action.

The posters were evaluated on Originality, Artistic Skill, and the Strength of the Scientific Message.

CIVIL ENGINEERING – ANCIENT TO MODERN

Educational Visit: Sanchi Stupa

On October 7th, the Civil Engineering Department visited the historic Sanchi Stupa in Raisen. Far from just a sightseeing trip, the visit was a deep dive into ancient Indian civil engineering practices.

Key Observations: Students studied the structural integrity of the Mauryan and Satavahana periods, focusing on the use of bricks, sandstone, and lime mortar.

Syllabus Integration: Part of the RGPV curriculum, "Study of Historical and Ancient Civil Engineering Practices," helped students understand how precision and simplicity led to architectural brilliance that has lasted over 2,000 years.

ENVIRONMENTAL LEADERSHIP

National Environmental Youth

On October 3rd, students from the Mittal Institute of Education (MIE) represented the institution at the National Environmental Youth Parliament held at Barkatullah University, Bhopal. Our students engaged in critical discussions regarding climate change, sustainable development, and environmental policy, proving that MGI students are not just engineers and educators, but responsible future leaders.

MENTAL WELLNESS & MOTIVATION

The "Astityva" Workshop: 10x Better

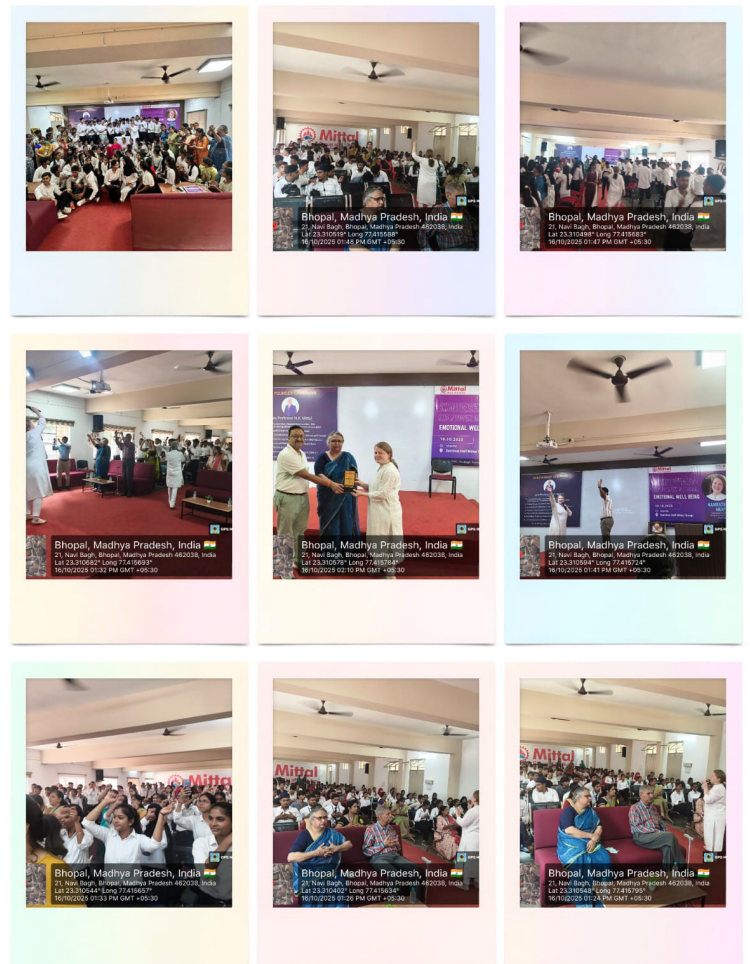

Renowned motivational speaker and Spiritual Scientist **Dr. Vipul Bhartiya** graced MIE on October 10th. The session went beyond academic techniques, focusing on:

- Right Brain Activation.
- Stress management and emotional well-being.
- Balancing mental wellness with college life.

Siddeshwar: The Power of Soul on Emotional Well-Being

Coordinated by **Asst. Prof. Divya A.** on October 16th, facilitators **Namratha Mehta** and **Siddeshwar** led a deeply reflective session for the Commerce and Management Department.

Key Takeaway: Students learned practical tools to manage stress through self-awareness and inner harmony, viewing emotional health as a "soulful journey."

FESTIVE FERVOR & CREATIVITY

Pre-Diwali Celebration: A Riot of Colors

The Department of Computer Science (BCA) at MIE transformed the campus into a festive hub. The event wasn't just about fun; it was a showcase of student talent and traditional values.

- **Competitions:** Students displayed incredible skill in Mehndi, Rangoli, Diya Decoration, and Toran Making.
- **Innovation:** The Flameless Cooking Competition saw students whipping up creative delicacies without the use of fire.
- **The Message:** The celebration concluded with an awareness drive for an Eco-Friendly and Safe Diwali, emphasizing cultural pride and environmental responsibility.

Shining Saturday: Celebrating Our Own

At MGI, we believe that a happy faculty leads to inspired students. Our "Shining Saturday" tradition continued with great enthusiasm on October 25th.

- **Celebrations:** The MGI family came together for a cake-cutting ceremony to celebrate the birthdays of all October-born faculty members.
- **Welcoming New Members:** The event served as a warm induction for new faculty members joining the MGI family this month, fostering a sense of unity and togetherness.

PATRIOTISM & NATIONAL UNITY

'Run for Unity' – Commemorating the Iron Man

On October 31st, the NSS Wing of MIE stood tall among 2,000 participants at Shaurya Smarak, Bhopal.

- **The Occasion:** The 150th Birth Anniversary of Sardar Vallabhbhai Patel.
- **The Event:** Flagged off by Hon'ble Chief Minister Dr. Mohan Yadav, the run promoted national integration. Our institution was proudly represented by Program Officers AP Prashansa Purohit & Dr. Vivekswar, alongside our dedicated NSS volunteers.

SNAPCIAL

FACULTY ACHIEVEMENTS & RESEARCH

Dr. Neelu Quaiyumi Appointed as Research Guide

Mittal Group of Institutes celebrates the selection of **Dr. Neelu Quaiyumi** by **Barkatullah University, Bhopal**, as an official Research Guide in Zoology under the Faculty of Life Sciences. This recognition authorizes her to guide doctoral scholars, further elevating MGI's status as a hub for advanced scientific research.

Research Milestone: Dr. Arpan Dwivedi's Scopus Hat-trick

Dr. Arpan Dwivedi continues to bring laurels to the department with his latest research publication in a Scopus-indexed journal. This marks his third successful Scopus publication for the calendar year 2025, showcasing MGI's dedication to global academic standards.
