HOLI CELEBRATION

3 March 2026 | OGI Staff Club

The OGI Staff Club hosted a vibrant Pre-Holi Celebration that filled the campus with music, dance, fun games, and festive activities. The event fostered camaraderie and joy among staff members, embodying the true spirit of Holi. Chairman OGI Shri. Praveen Thakral and Vice Chairman Shri. Gaurav Thakral appreciated and enjoyed the festive vibe alongside the staff, adding warmth and encouragement to the occasion. Thoughtfully arranged refreshments and personalized gifts further enriched the celebration, making it a memorable and engaging experience for everyone present.

Alumnus Section

Name: Anshu Shrivastava

Batch: 2003–2007 MCA

Position & Company: Assistant Professor, OIST, Bhopal

Email: Shrivastava.anshu@gmail.com

Message for Juniors: “I feel honored to be an alumnus of the Oriental Institute of Science & Technology. My time here shaped my academic journey, personality, and values, while the support of faculty built my confidence and skills. The learning environment, practical exposure, and opportunities helped me grow both professionally and personally. I am grateful to the management, professors, and staff, and cherish the friendships and memories made. Proud to be part of the Oriental family, I carry forward its values and wish the institute continued success in shaping bright futures. With gratitude, Anshu Shrivastava”

Name: Chetan Saxena

Batch: 2005-2008, Electrical & Electronics, OCT

Position & Company: Sr. Project System Expert, DB Engineering & Consulting

“Completing my B.Tech from Oriental College of Technology as part of the 2008 batch was a milestone that shaped my growth and transformation. Beyond academics, I gained discipline, teamwork, and confidence, along with lifelong friendships and memories. I am grateful to the faculty for their guidance and to my peers for the bonds we shared. Oriental will always hold a special place in my heart for giving me not just an education, but values and confidence to face the future.”

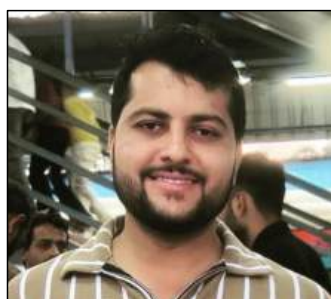

Name: Ms. Rukhsar Ansari

Batch: 2014-2016, OCM

Position & Company: Assistant Manager - Business Development,

Email: rukhsara16@gmail.com

Oriental College of Management not only provided me with a strong education but also played a significant role in shaping my professional growth. My teachers and mentors were consistently supportive, and their inspiring guidance greatly influenced me throughout my time on campus. I will always be grateful to my faculty and mentors for their care, attention, and encouragement. I also built meaningful friendships and carry with me many wonderful memories from my college days.

Name: Vikas Gurjar

Batch: 2016-2020, B.Pharm OCP

Position & Company: Project Research Scientist, ICMR-NIREH Bhopal

Email: vikasgurjar0506@gmail.com

Oriental College of Pharmacy was instrumental in nurturing my interest in research. The hands-on lab work, supportive mentors, and emphasis on understanding concepts deeply helped me develop critical thinking and analytical skills. These have been invaluable in my current role at a research organization. I truly appreciate the environment that encouraged exploration and learning. I highly recommend students to make the most of the opportunities provided.

THE ORIENTAL SCHOOL

Annual Examination Session 2025–26 (26 February to 11 March)

The Oriental School successfully conducted its Annual Examinations for the academic session 2025–26 in a calm, disciplined, and well-organized environment. The examinations reflected the students' dedication, consistent efforts, and thorough preparation throughout the year, as they appeared with confidence and enthusiasm. The seamless execution of the examination process was made possible through the collective efforts of the school administration and teaching staff, ensuring a smooth and systematic conduct. The school management extended their best wishes to the students for a bright and successful future.

Foundation Laying Ceremony for the expansion of School Building (6 March)

The Oriental School successfully conducted the Foundation Laying Ceremony for the expansion of its school building. This occasion marks a significant milestone, symbolizing the school's continuous progress, pursuit of excellence, and commitment to the holistic development of its students. The new academic building, once completed, will provide an enhanced learning environment, greater opportunities, and new possibilities for students. The school firmly believes that education extends beyond the acquisition of knowledge - it is also a means to nurture curiosity, creativity, and strong character. This initiative stands as an important step towards the school's bright future and its journey of sustained growth and development.

Conclusion of the Academic Session 2025–26 in the Pre-Primary Wing (11 March)

The tiny stars of The Oriental School's Pre-Primary Wing brought the academic session 2025–26 to a magical and memorable close. On the final day of the session, a special event was organized where children participated with their favorite pillows, storybooks, and beloved toys. Throughout the year, these young learners achieved several new milestones in their development. During the celebration, they rejoiced in their accomplishments, blossoming friendships, and cherished memories. The continuous energy and joy spread by these children kept the school campus lively at all times. This "Pyjama Party" symbolized the last working day of the session. With a dreamy and cheerful atmosphere, the academic year concluded as a truly delightful experience.

Orientation Session on Early Years Education (14 March)

An orientation session on Early Education (Early Years) was organized for teachers at The Oriental School. Led by Ms. Pooja Bhatia, an experienced education professional specializing in curriculum development, school leadership, and a certified Cambridge and Montessori trainer. The objective of the session was to familiarize teachers with the effective selection and use of teaching-learning resources in early grade classrooms. The session highlighted the importance of age-appropriate and engaging resources, along with methods to promote play-based and experiential learning. It also discussed the role of these resources in developing communication skills, early literacy, numeracy, and motor skills. Towards the end, teachers shared their ideas through an interactive discussion. The session proved to be informative and inspiring for all participants.
