“Being an alumnus of Oriental College of Technology has been a memorable, enriching experience. The college provided quality education and shaped my personality, confidence, and career. Beyond academics, it offered opportunities through technical events, cultural fests, workshops, and extracurricular activities. The vibrant campus motivated students to explore their talents.

Friendships formed during college remain my most cherished memories. My journey was about personal transformation and lifelong learning—not just earning a degree. I remain grateful to the faculty, friends, and institution for experiences I will carry forever.”

The Oriental School

Newsletter for 20th April 2026 to 15th May 2026

Special Assembly on Earth Day Grade II (22nd April)

Earth Day was celebrated with great enthusiasm and awareness at The Oriental School. A special morning assembly presented by the students of Grade II conveyed an inspiring message of environmental conservation through poems, speeches, and a pledge. The young learners beautifully demonstrated that awareness and positive efforts are the greatest strengths in protecting nature. On this occasion, the students creatively showcased the concept of RRR (Reduce, Reuse, Recycle) through engaging activities, spreading the message of transforming waste into useful items. As part of experiential learning activities, students of Grades I and II prepared attractive Earth models, paper crafts, and beautiful bird feeders using recycled materials.

The assembly strengthened the values of responsibility, sensitivity towards the environment, and nature conservation among the students, while inspiring everyone to contribute towards building a greener and cleaner future.

Inter House Poster Making and Slogan Writing Competition (22nd April)

On the occasion of Earth Day, the enthusiastic learners of Grades III to V at The Oriental School beautifully combined creativity, expression, and environmental awareness through an engaging Art-Integrated Activity.

An exciting Inter-House Poster Making and Slogan Writing Competition transformed the campus into a vibrant gallery of ideas, where students expressed their love and concern for the planet through impactful slogans and colourful artwork. Each poster narrated a meaningful message, and every slogan reflected a promise to protect and preserve the environment. The activity not only showcased the students' artistic and linguistic talents but also highlighted their deep sense of responsibility towards Mother Earth. The school takes immense pride in its young learners for blending language and art so thoughtfully, inspiring everyone to care for nature, spread awareness, and contribute towards building a greener future.

English Handwriting Competition (24th April)

As part of the vibrant English Month Celebrations at The Oriental School, the students of Grades III to V participated enthusiastically in the English Handwriting Competition, showcasing the beauty and discipline of the written word. The event beautifully celebrated the timeless art of handwriting, where every stroke reflected precision, creativity, and confidence. It provided students with a wonderful platform to exhibit neatness, clarity, and the elegance of written expression, reminding everyone that handwriting is not just a skill, but a reflection of personality and dedication. With remarkable focus and sincere effort, the young learners displayed exceptional handwriting skills, making the competition both inspiring and memorable. Their work stood as a true testament to patience, perseverance, and the joy of learning. The school proudly applauds all participants for their enthusiastic involvement and commendable performance, which contributed greatly to the success of this enriching and meaningful activity.

CBSE Capacity Building Programme (2nd May)

The Oriental School successfully organized a CBSE Capacity Building Programme (CBP) on Learning Outcomes and Pedagogical Practices. The programme served as an important platform for educators to refine their teaching skills and collectively enhance the quality of education.

The programme was graced by distinguished resource persons, Afreen Qureshi, a CBSE expert in NEP and NCF, and Shiby Joseph, who brings over two decades of experience in the field of educational guidance and observation. The session encouraged reflective teaching practices among the participating educators and facilitated meaningful discussions along with the exchange of innovative ideas to ensure effective and lasting learning experiences.

Insightful Workshop on Competency -Based Teaching and Assessment (7th May)

The Oriental School organized a workshop on Holistic Progress Card (HPC) for teachers from Pre-Primary to Grade XII in alignment with the National Education Policy (NEP) 2020. The workshop was conducted by resource person Saurabh Vishwakarma. Through role plays, peer feedback sessions, and curriculum-based discussions, the workshop introduced teachers to innovative approaches of holistic and competency-based teaching and assessment, moving beyond traditional marks-based evaluation methods. In addition, practical insights into child-centric and reflective assessment practices were provided through PARAKH sample Holistic Progress Cards. The workshop concluded in an inspiring atmosphere, further strengthening the school's commitment towards quality and future-oriented education.

Blend of Enthusiasm and Creativity at The Oriental School Summer Camp – (1st May to 30th May)

The Summer Camp organized at The Oriental School provided students with an engaging platform for learning, recreation, and personality development. Through a wide range of activities such as swimming, cricket, football, karate, skating, basketball, music, dance, fitness, and art & craft, students were given opportunities to explore and enhance their talents. This year, the Creative Drama Camp emerged as a special highlight, where storytelling, role play, puppet theatre, and creative art activities helped nurture students' imagination and expression skills. The Summer Camp offered students joyful and inspiring experiences through sports, arts, and creative activities, while encouraging their holistic growth and overall development.
