Trusted Legacy of Professional Education for 31 YEARS

TECHNICAL SECTION

On 7 November, OIST's CE Deptt inaugurated the Springer Nature 3rd International Conference on RACE-2K25, featuring 90 presentations from over 300 submissions across eight sessions, and showcasing advanced research, emerging technologies, and OIST's commitment to academic excellence.

On 12 November, TCS conducted a Pre Placement Talk at OGI, guiding students on career paths, interview readiness, and corporate expectations, while inspiring and motivating aspiring technologists.

On 13 November, the EC Deptt hosted TECH CONFERENCE 2025 on "Innovative Technologies Adopted by Indian Forces," where students presented impactful ideas, and top teams were awarded for innovation, inspiring contributions to technology and national defense.

On 14 November, OIST Bhopal hosted the National Conference on RISE-2K25, featuring keynote and expert insights, student project showcases, and discussions on recent innovations in science and engineering, reinforcing institute's commitment to research excellence.

On 15–16 November, the institute conducted a two-day NVIDIA GPU Training Program for OGI faculty, covering CUDA, GPUs, and ML/DL frameworks, and enhancing research skills, technical proficiency, and teaching excellence

CULTURAL SECTION

On 3 November, the institute's Deptt of BS and Humanities hosted the RGPV Nodal Solo Classical and Group Folk Dance Contest. Students' captivating performances celebrated India's cultural heritage and marked a proud milestone for the Oriental family.

On 8 November, the IIT BHU Kash OGI Bhopal hosted diwatra'26 Zonal Round, featuring 13 cultural competitions. Zone winners will advance to Kashiyatra 2026, and the day concluded with a Musical Eve by The Wikings, marking a memorable occasion for the Oriental family.

On 13 November, OGI Bhopal observed **Smriti Diwas** in cherished remembrance of Late Smt. Shakuntala Devi Thakral, whose vision and dedication to education continue to inspire generations. The day included felicitations to distinguished women and heartfelt tributes from the Thakral family and the Oriental fraternity

ACHIEVEMENTS SECTION

On 3 November, OIST won 1st prize in the Group Folk Dance category at the RGPV Nodal Cultural limited preparation, the team's outstanding performance celebrated India's cultural heritage and marked Contest. Despite a proud milestone for the Oriental family.

On 10–11 November, the institute won the Winner's Trophy at the RGPV State- Level Competition in Satna. Anshul Upadhyay (CSE) secured first place in Theatre (Mimicry) and advanced to the Central Zone, while Aagrah Purohit (IT, 5th Sem) was Runner-Up in Classical Instrumental Solo (Tabla), marking a proud achievement for Team OIST.

On 11 November, the CSE–DS Deptt secured an Indian patent for Predictive Data Science Model for Personalized Medicine Using Multi-Modal Clinical Data, mentored by Prof. Rupali Dubey and developed by a team of nine students.

On 12 November, the CSE DS Deptt secured its second Indian patent for "Intelligent Decision Support System for Financial Risk Assessment Using Data Science Pipelines," applying data science in FinTech and developed by a team of eight students.

On 15 November, the institute hosted the RGPV Nodal Lawn Tennis Tournament, where Ayushman Singh (CSE) and Manan Sharma (CSE-AIML) won the Men's Doubles, marking a proud sporting achievement for Team OIST.

On 15 November, CSE–DS student Sakshi Yadav brought pride to OIST by delivering an outstanding performance at the RGPV Nodal Lawn Tennis Tournament, where she showcased exceptional skill and sportsmanship, securing the Championship Title in Doubles and achieving an impressive Runner-Up position in Singles, marking a remarkable sporting milestone in her journey and a moment of great honor for the institute.

DEPARTMENT OF MCA

The Deptt of MCA, OIST Bhopal, organized an enriching industrial visit to the MP Council of Science & Technology (MPCST), Vigyan Bhawan, Bhopal. Students explored cutting-edge innovations in Biotechnology, GIS, Remote Sensing, and Quality Testing while interacting with domain experts. The visit provided valuable practical exposure, bridging the gap between classroom learning and real - world technology applications.

TECHNICAL SECTION

On 7 November, the Deptt of ME inaugurated the Mechanical Creativity and Innovation Club, a student-led platform dedicated to fostering innovation, hands-on creativity, sustainable engineering solutions, leadership skills, and participation in technical competitions and project exhibitions.

On, 28 November, the IKS Cell and the Deptt of BS organized an insightful webinar on Indian Knowledge Systems in collaboration with the Siddhanta Knowledge Foundation. Dr. Kushagra Rajendra delivered an engaging session on the essence and modern relevance of IKS. The program was smoothly coordinated with the support of Mr. Anirudh Patel and Mr. Sulabh Khare.

The R & D Cell conducted a 5 - day FDP on Research Methodology, covering SCI publishing, patent drafting, and IPR awareness. Expert sessions enhanced faculty skills in research techniques and manuscript preparation. A written assessment marked the program's successful conclusion, strengthening the research culture on campus.

On 12 November, the Deptt of ME conducted an expert session on Design Thinking, where students learned human-centered creativity, innovation, and rapid prototyping. With insights from industry experts Mr. Manish Kumar and Ms. Simran Gupta, the session encouraged young engineers to think innovatively and design smart, future-ready solutions.

CULTURAL SECTION

The Department of Computer Science & Engineering (Cyber Security) successfully conducted a 5-day Cyber Security Awareness Campaign featuring impactful activities. The initiative included an intensive Cyber Quiz Challenge, a creative Cyber Awareness Rangoli Competition, and an engaging Nukkad Natak highlighting real-world cyber threats. The campaign effectively promoted digitalsafety, enhanced cyber awareness, and encouraged responsible online behavior among students.

INDUSTRIAL VISIT

On 1 November, the ME and BS Deptts, jointlyorganized an industrial visit to AMPRI, where students explored advanced materials such as Phase Change Materials, Radiation Shielding, and lightweight alloys, gaining practical insights into material science and modern engineering innovations.

On 8 November, the BS Deptt organized an educational visit to CRISP, Bhopal, where first-year CSE students explored advanced technologies, gained practical insights, and were inspired by expert interactions to pursue creativity and technical excellence.

On 8 November, the CSE Deptt, under the IIC, organized an industrial visit to CRISP for third-semester students, providing hands-on exposure to automotive labs, fashion technology units, and skill-development workshops, and offering practical insights into industry and emerging technologies.

On 14 November, the ME and BS Deptts, jointly organized an industrial visit to PSSCIVE, where students explored 3D printing, drones, solar power, sensors, food processing, and broadcasting systems, gaining practical exposure and insights into technology-driven product development.

On 12 November, the CSE-DS Deptt organized a visit to the India Meteorological Department for third-semester students, providing hands-on insights into weather data collection, processing, and forecasting, and highlighting real-world applications of Data Science in meteorology.

ACHIEVEMENT SECTION

On 3 November, the institute signed an MoU with Netlink to strengthen research collaboration, innovation, and skill development. This partnership will provide students with real-world industry exposure, technology insights, and opportunities in IT and digital transformation, fostering stronger industry-academia synergy.

Team Sochvritt (CSE-DS), under NSS, won 1st prize in the Nukkad Natak Competition at IIT BHU Kashiyastra 26, delivering a powerful street performance on cyber security awareness and social change.

The Deptt of CSE-DS proudly announces that Ankita Gupta, a third-year Data Science student, has been selected for the NIFAA District Award Ceremony in recognition of her outstanding contributions to NSS and social service.

TECHNICAL SECTION

In October, a two-tier workshop, “Skill Boot Camp – Classroom to Boardroom,” was organized to enhance students’ professional and soft skills for the corporate world. Resource person Mr. Rajiv Saxena (Retd. ACCFP, IFS) trained the students in communication skills and workplace etiquette, helping to bridge the gap between academic learning and real-world corporate expectations.

OCM organized a four-day financial awareness and investment workshop in collaboration with NISM. Students learned about financial tools, stock markets, financial planning, and evaluating investment opportunities, helping them build financial knowledge and make informed decisions for their future careers.

On 1 November, the institute organized a workshop on “Excel as a Tool for Smart Teaching and Research” for faculty members. Dr. Priyanka Singh Jadon trained the participants in using Excel for data analysis and effective, technology-driven teaching and research.

On 30 October, an industrial visit was organized at Sahkari Dugdh Sangh Maryadit (Sanchi Dairy Plant). The students learned about the functions and operations of the production department, including facilities, manufacturing layout, and inventory planning systems. They also gained insights into various marketing and promotional tools for milk and dairy products.

PLACEMENT SECTION

CONGRATULATES

MBA III Semester students (Batch 2024-26)

for their selection in companies Like

Berger Paints India Ltd, Internelite EdutechPvt. Ltd and Webvillee Technology Pvt. Ltd.

ORIENTAL COLLEGE OF PHARMACY

TECHNICAL SECTION

On 25 October, the institute organized a visit to Bilkhiriya Kalan for second-year B.Pharm students. They conducted basic health check-ups and hygiene awareness activities, gaining practical exposure to rural healthcare while enhancing their communication and teamwork skills.

On 15 November, OCP students—Anugya Jha, Aditi Singh Chauhan, and Anubhuti Saxena—took part in the Menstrual Health Hackathon 2025 at IIT Bhubaneswar on “Faith, Culture & Periods.” Their innovative ideas highlighted culturally sensitive approaches and practical solutions to menstrual health challenges.

CULTURAL SECTION

On 28 November, the institute welcomed the 2025–26 B.Pharm and D.Pharm batch through Freshers Fusion, an event filled with performances, games, and laughter. The Ramp Walk decided the coveted titles, won by Ankit Katre and Praveishika Dwivedi. DJ Shibu's beats made the celebration lively and memorable.

ACHIEVEMENT SECTION

Congratulations to all B.Pharm Second Semester students (Batch 2024–28) for their outstanding performance in the RGPV examinations!

On 3 November, Dipu Kumar Sharma, Head of Sports Activities at OCP, represented the OGI Volleyball Team in the RGPV Nodal Tournament at LNCT College, showcasing strong sportsmanship as the team secured the runner-up position..

On 8 November, at the IIT BHU Zonals 26, Lakshya Motwani showcased remarkable talent and stage presence in the Group Dance competition. His outstanding performance earned the runner-up title.

On 8 November, Shubham Yadav and Team Red Ribbon delivered a compelling AIDS Awareness Nukkad Natak at the IIT BHU Zonals 26. Their impactful performance and teamwork secured the runner-up title, bringing pride to the college.

On 14-15 November, in the Pharma Sports Tournament, the Kabaddi, Cricket, Tug of War, and Pittu teams delivered outstanding performances. Their teamwork, skill, and determination helped them emerge as winners, showcasing the college's sporting spirit.

PLACEMENT SECTION

Congratulations to D.Pharm student Aarif Alam (Batch 2023–2025) on securing a prestigious placement with Lupin Ltd. His hard work, dedication, and academic excellence have paved the way for this achievement. Oriental College of Pharmacy extends its heartfelt wishes for his continued success and a bright, fulfilling career ahead.

TECHNICAL SECTION

The institute celebrated National Education Day with the theme “One World One Health: Antimicrobial Resistance.” Dr. Rama Singodiya Lodha from Gandhi Medical College delivered a talk on antimicrobial resistance and responsible medicine use. The event promoted education, health awareness, and social responsibility among students.

The Student Activity Council of OIPR organized a poster presentation for the 64th National Pharmacy Week on the theme “Pharmacists as Advocates of Vaccination.” Students showcased informative posters on vaccination and the role of pharmacists, promoting scientific understanding, public health awareness, and professional responsibility.

CULTURAL SECTION

On 24 November OIPR hosted the Freshers' Bright Future Fest on the theme “Women’s Empowerment” to welcome the 2025–26 batch. Chief Guest Ms. Teena Yadav from FDA Bhopal motivated students to believe in themselves. The event featured performances, activities, and interactive sessions, making it a lively and memorable celebration.

Arshed Ali Shah secured 1st place in the Collage Making Competition at the National-Level Intercollege Management Fest organized by SISTec Business School, Bhopal, and won a cash prize of ₹2000. The institute congratulated him for his creativity and dedication, celebrating his achievement and the pride it brought to OIPR.

Our top performers of the 2nd semester! Your hard work, dedication, and consistency have truly paid off. Keep shining bright and continue to inspire others with your excellence.

ALUMNI SECTION

Name: Anurag Mishra
Batch: 2005–2009
Branch: Information Technology
Position and Company: AVP, Societe Generale Groups

Message for Juniors: College life is one of the most memorable and transformative phases in a person's journey. It shapes not only a student's career but also their character, preparing them to face the challenges and embrace the opportunities of the real world.

Name: Mohd Arham Siddiqui
Batch: 2019
Branch: OIST, MCA
Position and Company: Sr. Software engineer, Tech Mahindra

Message for Juniors: My college journey has been short, simple, and unforgettable. These years were not just about classes and assignments they were about the people who shaped me. Our professors created a family-like environment, guiding and supporting us through every situation.

Name: Aviraj Ashok Jain
Batch: 2006
Branch: OCT, MCA
Position and Company: Business Head, Bansal One

Message for Juniors: My journey through college, from the first semester to the last, remains one of the most defining chapters of my life. The early semesters were vibrant, energetic, and filled with pure adrenaline.

Name: Mr. Aman Pare
Batch: 2019-2021
Branch: MBA, OCM
Position and Company: Network Intelligence (India) Pvt. Ltd.

Oriental College of Management provided me with education and supported my professional development. My teachers and mentors were always encouraging, and their inspiring approach greatly helped me throughout my campus journey.

Name: Mr. Sanjay Rajput
Batch: 2014-2018
Branch: D.Pharma, OCP
Position and Company: RBM, Pession Pharma Pvt. Ltd.

From the smell of chemicals to the comfort of friends by my side, every corridor taught me lessons that books could never capture. Oriental College of Pharmacy gave me a purpose I carry every day, and I remain forever grateful to be an alumnus of this college.

THE ORIENTAL SCHOOL

HALLOWEEN DAY (31ST OCTOBER 2025)

At TOS, Halloween wasn't just spooky—it was spectacular! Little ghosts, cheerful witches, playful monsters, and bright smiles filled every corner of the campus, creating a magical atmosphere of imagination and excitement. Students arrived in vibrant, creative costumes that reflected their enthusiasm and festive spirit. The corridors echoed with laughter as children joined in fun-filled activities, parade walk-throughs, and light-hearted trick-or-treat moments with friends and teachers.

SCIENCE MONTH (1st NOVEMBER - 30th NOVEMBER 2025)

This month, our school celebrated Science Month with a series of engaging activities that sparked curiosity and encouraged hands-on learning across all grade levels. Students from Pre-Primary to Grade 2 enjoyed an enriching visit to the Regional Science Centre, where they explored interactive exhibits, watched live demonstrations, and learned through play-based experiences. Across the campus, students witnessed fascinating science magic, conducted experiments in Physics, Chemistry, and Biology, and participated in extempore sessions that highlighted both their scientific knowledge and communication skills.

INTER SCHOOL COMPETITION (3rd NOVEMBER 2025)

The students of TOS proudly participated in the Inter-School Competition hosted by IVY Global School, showcasing creativity, confidence, teamwork, and sportsmanship across events such as fancy dress, coloring, group singing, and the harmony race. Our young learners impressed everyone with their imaginative costumes, vibrant artwork, melodious choir performance, and energetic participation in the race. We are delighted to share that our students won prizes in multiple categories, bringing honor and joy to the school.

WORKSHOP ON CYBER SECURITY (6th NOVEMBER 2025)

A highly informative Cyber Security Workshop was conducted for Grades XI and XII by the students of Christ University, Lavaca, Pune. The session aimed to raise awareness about safe online practices and digital responsibility. Students actively engaged in discussions and activities on cyber threats, ethical hacking, and data protection. The resource team effectively demonstrated real-life scenarios to emphasize the importance of cyber safety. The workshop enriched students' understanding of responsible internet usage and reinforced the need to stay vigilant in the digital world.

SMRITI DIWAS & JAL HOUSE ASSEMBLY (12th NOVEMBER 2025)

The students of Jal House observed Smriti Divas through a heartfelt special assembly dedicated to Smt. Shakuntala Devi Thakral, the guiding light and founding inspiration of the Oriental Group of Institutes. The program honored her legacy of love, resilience, integrity, and service, beginning with a solemn floral tribute. It featured an original poem by Jasmeet of Grade XI, a dance-drama on women's empowerment, a mime on Education Day, and a skit by students of Grades VI–VIII.

CHILDREN'S DAY CELEBRATION (14th NOVEMBER 2025)

TOS celebrated Children's Day with great joy, laughter, and enthusiasm, as teachers came together to present a heartfelt program dedicated to their students. The event began with a vibrant dance performance by the teachers, filling the atmosphere with excitement and cheer. This was followed by an engaging skit highlighting the impact of social media on young minds, encouraging students to use digital platforms responsibly.

EDUCATIONAL EXCURSION TO PARLE G (22nd NOVEMBER 2025)

Students of Grades 9–12 from TOS, Bhopal visited the Parle-G Factory at LM Baker, Mandideep on 22 November 2025 as part of Science Month. The visit began with an audio-visual presentation on Parle-G's legacy, followed by a guided tour showcasing ingredient mixing, dough moulding, baking and cooling systems, automated packaging, and strict quality control protocols. The precision of the manufacturing process, along with an interactive Q&A session, helped students connect classroom science with real industrial applications, making the visit an insightful and inspiring STEM learning experience.
