

Workshop Highlights

National Workshop on Agnikarma

Discover the science and clinical excellence of Agnikarma, one of Ayurveda's most effective para-surgical procedures. This intensive workshop is designed to enhance your knowledge, practical skills, and clinical confidence through expert-led sessions and hands-on learning.

Highlights:

- Hands-on training in Agnikarma techniques under expert supervision.
- Live demonstrations on selected clinical cases.
- Insightful lectures by eminent Ayurveda clinicians and academicians.
- Scientific understanding of indications, contraindications, and safety protocols.
- Practical training in the selection and use of Agnikarma instruments.
- Evidence-based management of musculoskeletal disorders and chronic pain.
- Interactive case discussions, expert panel sessions, and Q&A.
- Updates on recent research and clinical advances in Agnikarma.
- Guidance on integrating Agnikarma into day-to-day Ayurvedic practice.
- Excellent networking opportunities for Ayurveda practitioners, PG scholars, interns, and students.
- Certificate of Participation for all registered delegates.

Enhance your clinical skills, expand your professional network, and experience the future of evidence-based Ayurvedic para-surgical practice!

Learning Outcomes

- Understand the fundamental principles and therapeutic concepts of Agnikarma in Ayurveda.
- Identify the indications, contraindications, and patient selection criteria.
- Learn the selection and safe handling of Agnikarma instruments and materials.
- Perform Agnikarma using standard procedures with aseptic and safety protocols.
- Develop skills in patient counseling, informed consent, and post-procedure care.
- Apply Agnikarma in the management of musculoskeletal disorders, chronic pain, and other indicated conditions.
- Interpret clinical outcomes through case-based discussions and evidence-based practice.
- Build confidence to integrate Agnikarma into routine Ayurvedic practice while maintaining ethical and medico-legal standards.

About VAP

Vishwa Ayurveda Parishad (VAP) is one of the largest global non-governmental organizations dedicated to the promotion, preservation, and propagation of Ayurveda. Established in 1997, VAP was founded with the vision of restoring the ancient glory of Ayurveda and facilitating its recognition and acceptance at national and international levels. The organization works tirelessly to provide a credible platform for Ayurveda scholars, practitioners, researchers, and enthusiasts to exchange knowledge, strengthen scientific validation, and enhance the authenticity of this traditional system of medicine. Through its various academic, research, and awareness initiatives, VAP continues to contribute significantly to the global growth and advancement of Ayurveda.

About Arogya Bharti

Arogya Bharti is a national-level voluntary organization working for health awareness, disease prevention, and promotion of a healthy lifestyle based on Indian values and the holistic approach of Ayurveda and other recognized systems of medicine. It was established on 2 November 2002 (Dhanvantari Jayanti) at Kochi and was registered as a public trust in Bhopal on 29 July 2004.

About Bhopal

Bhopal – The City of Lakes

Bhopal, the capital of Madhya Pradesh, is renowned as the City of Lakes, blending rich cultural heritage with natural beauty. Surrounded by picturesque lakes, historic monuments, and lush greenery, the city offers a peaceful and inspiring environment for learning and collaboration. Bhopal is also emerging as a prominent centre for higher education, healthcare, and Ayurveda, hosting several prestigious institutions dedicated to traditional and modern medical sciences. Its warm hospitality, excellent connectivity, and vibrant cultural legacy make it an ideal destination for national academic gatherings. We warmly welcome all delegates to experience the charm, heritage, and hospitality of Bhopal.

About The Institution

Sri Sai Institute of Ayurvedic Research and Medicine was established in 2017 by the Sri Sai Gramothan Samiti. The college has been approved by National Commission for Indian System of Medicine (NCISM), New Delhi & Ministry AYUSH, Govt. of India and affiliated to the Madhya Pradesh Medical Health Science University (MPMSU), Jabalpur (M.P.)

We are dedicated to provide superior quality education in Ayurveda, with state of art facilities, to enhance the research and learning experience, and facilitate the training of a skilled work force to meet the current and future needs of Ayurvedic fields of medical science.

The B.A.M.S. course provides a vibrant environment where science, education and technology go hand in hand. It catalyzes an environment for innovative teachings and research in the field of Ayurvedic management of different types of diseases. Ayurveda takes care of the disabled and diseased - those who need to be protected, recovered and saved from their disabilities and ailments. These goals are achieved by providing excellent training in the field of preparation of medicine and clinical training of students in disease management, so that they become competent and can satisfy the needs of society in health care.
