

WORLD WAY INTERNATIONAL SCHOOL
HOLIDAY ASSIGNMENT/PROJECT/RESEARCH
SESSION – 2026-2027
CLASS- 5

1	ENGLISH	* *Project:* "The Shadow's Secret Journal." * Create a "Lost Shadow" diary entry from the perspective of the shadow itself while it was locked in Mrs. Darling's drawer. * *Requirements:* Use descriptive adjectives to explain how it felt to be separated from Peter. To make your project look authentic, "stain" the paper with a tea bag to make it look old and decorate the borders with silhouettes of Captain Hook's hook, Tinker Bell, and the Darling children	Imagine you are Wendy Darling and you have just found Peter Pan crying in your nursery because he cannot stick his shadow back on with soap. Instead of just sewing it, what modern "tools" or household items would you suggest he use to keep his shadow attached? How would you explain to Peter that some things in life—unlike shadows—cannot be fixed so easily?	Peter Pan eventually loses his shadow because it gets trapped by a closing window. Analyze the physical relationship between a person and their shadow. Why is it logically impossible for a shadow to exist "trapped" in a room if the person it belongs to is outside in the dark? What does this tell us about the "magic" of Neverland versus the rules of our world?
2	HINDI	यदि पेड़ बोल सकते... तो आप क्या बात करेंगे? चित्र बनाकर इस विषय पर आपकी और पेड़ की कल्पनात्मक बातचीत लिखें। (10-12 पंक्तियाँ)।	यदि तुम रास्ते में किसी बुजुर्ग को भारी सामान उठाते देखो, तो तुम क्या करोगे? (5-6 वाक्यों में लिखो)	रीना ने मेहनत की और परीक्षा में अच्छे अंक लाए। ►इससे हमें क्या सीख मिलती है?
3	MATHS	- Draw any object related to your daily life and show following fractions on it as given below. - Divide your design into two equal parts, colour different fractions	A farmer owns a field. He used $\frac{2}{7}$ of it to grow wheat and $\frac{3}{7}$ for rice. What fraction of land is used in total?	I am a fraction: - My numerator is half of my denominator. - My value is less than 1. - What fraction am I ?

		(1/2,1/4) and label fraction also on an A4-size sheet.		
4	EVS/SCIENCE	Poster Making (half chart paper) Make a poster on the topic: "Stay Healthy, Stay Happy" showing ways to keep our body fit (exercise, rest, healthy habits)	1.Riya eats chips, chocolates, and drinks cold drinks every day but does not exercise. What problems can she face? Suggest two healthy changes.	Why is eating too much of one type of food harmful even if it is healthy?
5	S.ST.	1.Create a "Transport Timeline" . Draw how transport changed from the invention of the wheel to modern-day bullet trains or rockets. Use craft paper to make a small 3D model of your favorite mode of transport.	2.Imagine you are a pilot flying from India to New York. If your GPS stops working, how would you use Latitudes and Longitudes to find your way? Write a short "Captain's Log" explaining how these imaginary lines help you stay on the right path.	3.Create a comparison table in your notebook. Analyze the differences between the Earth's Rotation and Revolution based on: a.Time taken. b.What it causes (Day/Night vs. Seasons). c.The path taken (Axis vs. Orbit).
6.	ART INTERGRATED	COLLABOARTION WITH STATE : MIZORAM / NAGALAND Spear (as explained in class)		
6.1	ENGLISH	The "Literary Landscape"Collage Create a vibrant and informative collage titled "Voices of the Hills." Your collage must include: Pictures or hand-drawn sketches of your four chosen authors. Cut-outs of their book covers (you can draw or take printouts) Visual representations of their awards. Creative Element: Decorate the		

		borders of your collage using traditional patterns found in Naga shawls or Mizo Puans to celebrate the culture of the region		
6.2	HINDI	शब्द पहेली: मिजोरम और नागालैंड के मुख्य त्योहारों (जैसे: चापचर कुट और हॉर्नबिल) के नामों को लेकर एक शब्द पहेली (Grid) तैयार कीजिए।		
6.3	MATHS	Data handling- festival survey • Ask 5-10 people about their favourite festivals of Nagaland and Mizoram. • Record the Data in a table. • Make a bar graph to represent the data on A4-size sheet.		
6.4	S.ST.	Make a 3-foot-long spear using a sturdy cardboard tube and a silver-painted cardboard tip. Decorate it with red and black tassels. The Integration: Handle Wrap (Transport & Communication): Wrap a "Communication Timeline" around the handle. Start from the bottom with "Tribal Spears/Messengers" and end at the top with "Modern Satellites." Spear Head (Latitudes & Longitudes): On the flat surface of the spearhead, draw a small grid. Mark the location of Aizawl, Mizoram at approximately 23.7° N, 92.7° E. The Logic (Earth's Movements): Attach a small paper tag to the		

		spear explaining how the Earth's Revolution affects the harvest festivals in Mizoram.		
6.5	SCIENCE	Using recycled materials (like old newspapers rolled into tubes ir actual bamboo skewers),create a small 3D model of "traditional Mizo Hut" or "Bamboo Nest"		

Note : Homework hones the skills of creativity , giving them real life scenarios, undertake logical reasoning which helps students to express, relate & draw conclusions.
