

WORLD WAY INTERNATIONAL SCHOOL
HOLIDAY ASSIGNMENT/PROJECT/RESEARCH
SESSION – 2026-2027
CLASS- VI

1	ENGLISH	Short Story: Write a story with a clear moral/message (150–200 words) Advertisement: Design an advertisement promoting a healthy habit (Use slogans, visuals, and catchy lines) Daily Journal: Maintain a simple journal of your daily activities during holidays	Media & Presentation Tasks Cinematic Video: Theme: Kindness / Friendship (Situation-based scene) Podcast: Record a short podcast with a family member or friend on a viral/current topic of your choice (2–3 minutes)	News Report Writing: Write a report on a recent school event (in proper format) 3. Language Skills Vocabulary Chart: Learn and present 10 new words (meaning + sentence + picture) Homophones & Homonyms: Write 5 pairs each with meaningful sentences Slang to Formal Language: Convert at least 5 commonly used slang words into formal English (Example: “gonna” → “going to”)
2	HINDI	साक्षात्कार (Interview) जब आप छुट्टियों में अपने किसी पसंदीदा व्यक्ति से मिलते हैं तब उनके साथ की फोटो चिपकाकर उनका साक्षात्कार तैयार करें। (प्रश्न-उत्तर रूप में)।	यदि तुम्हारे आसपास कोई पेड़ काट रहा हो, तो तुम कैसे प्रतिक्रिया दोगे?	यदि एक छात्र नियमित अभ्यास करता है, तो उसके परिणाम कैसे होंगे? ➤ तर्क सहित उत्तर लिखिए।
3	MATHS	Rangoli with Angles Design a rangoli pattern using different angles. Label at least 4 angles with their types.	Two roads intersect each other forming angles. If one angle is 60°, what will be the vertically opposite angle? What type of angle is formed?	Who is Correct? Aman says: “All right angles are equal.” Bina says: “Some right angles can be bigger.” Who is correct? Why?

4	EVS/SCIENCE Topic- Mindful Eating: food and health (Note: Do these questions in a project file)	All students are required to prepare models based on traditional cooking methods. Each student must: Create utensils using mud/clay (such as handi, chulha, tawa, etc.). Be ready to explain the significance and use of the utensils and method. Use eco-friendly materials. Maintain neatness and creativity. Projects will be evaluated based on originality and presentation.	Q1.You are watching TV and suddenly realize you've finished a whole packet of chips without noticing. → What does this situation reveal about your eating habits? How could mindful eating change this? Q2. At a party, there are many unhealthy food options, and you feel tempted to try everything. → How can mindful eating help you make balanced choices?	Q1. Arrange the steps of mindful eating in a logical order: (a) Recognizing hunger (b) Eating slowly (c) Noticing fullness (d) Choosing food carefully → What is the correct sequence and why? Q2. If a person repeatedly eats while distracted (e.g., using a phone), what pattern of behavior might develop?
5	S.ST.	Q1. 👤 "Ambedkar's Work in Action" 👉 We know B. R. Ambedkar worked for equality and rights. 👉 Now imagine this situation: There is a child in your school who is being treated unfairly. 👉 Answer the following: What problem is the child facing? What would Ambedkar do in this situation? What will YOU do to help? 👉 Write in 4–5 lines	Situation-Based Q2. 🏠 "School Without Rules" 👉 Imagine your school has no rules for one day. 👉 Write in order: What will happen in the beginning? What problems may arise later? Will it be good or bad? Why? 👉 Write in 3–4 lines just separate	"Petrol Puzzle" 👉 Read carefully: Petrol price ↑ → Bus fare ↑ → People travel less → Shops get fewer customers 👉 Now answer: What will happen to shopkeepers? (1 idea) What might people start using instead of petrol? (1 idea) 💡 Think step by step (avoid direct/common answers)
6.	ART INTERGRATED	COLLABOARTION WITH STATE : MIZORAM / NAGALAND		
6.1	ENGLISH			
6.2	HINDI	नागालैंड के प्रसिद्ध 'हॉर्नबिल महोत्सव' पर एक संक्षिप्त रिपोर्ट तैयार कीजिए। इसमें यह भी		

		लिखिए कि इसे "त्योहारों का त्योहार" क्यों कहा जाता है?		
6.3	MATHS	Tribal Shawl Geometry (Lines & Angles) Traditional Naga shawls have bold geometric patterns. 👉 Draw a shawl design using parallel and intersecting lines. 👉 Identify: 2 pairs of parallel lines 2 pairs of intersecting lines 3 different types of angles		
6.4	S.ST.	Q1. 👤 "Ambedkar's Work in Action" 👉 We know B. R. Ambedkar worked for equality and rights. 👉 Now imagine this situation: There is a child in your school who is being treated unfairly. 👉 Answer the following: What problem is the child facing? What would Ambedkar do in this situation? What will YOU do to help? 👉 Write in 4–5 lines	🔧 "Petrol Puzzle" 👉 Read carefully: Petrol price ↑ → Bus fare ↑ → People travel less → Shops get fewer customers 👉 Now answer: What will happen to shopkeepers? (1 idea) What might people start using instead of petrol? (1 idea) 💡 Think step by step (avoid direct/common answers)	"School Without Rules" 👉 Imagine your school has no rules for one day. 👉 Write in order: What will happen in the beginning? What problems may arise later? Will it be good or bad? Why? 👉 Write in 3–4 lines just separate
6.5	SCIENCE	Make a model of Shifting Cultivation (Jhum Farming) of Mizoram and Nagaland. Make different patches to show step by step process of cultivation with the essential labellings. Also find the area of the patches used for cultivation.		

NOTE - Holiday homework hones the skills of creativity , giving them real life scenarios, undertake logical reasoning which helps students to express, relate & draw conclusions.
